

Growth Mindset Talk Contract

In order to develop growth mindsets in our relationships so that we can grow into our best selves, help others grow into their best selves, and make our district a better place to learn and grow for all, we, the faculty of _____ school and members of the the Pinckney Community Schools district commit and agree to the following:

- We agree to support each other in talking in Growth Mindset ways
- We agree that if someone is not talking in a Growth Mindset way, we will encourage and support that person in positive ways.

In signing below, we agree to support and encourage positive, growth minded talk in all of our relationships in our school and district.
